Cars not picked: 26,30,32,33,35,40,44,46,59,93,98

NOTES: Drivers are shown for reference only - in our contest you select the car number/not the driver. "Most popular picks" shows the five most popular picks for each race as selected by all contestants. Popular picks are shown with the car number followed by number of times selected for each event. Please verify all the information shown above and compare to any records you may have. Errors may have occurred during data entry. In the event of a discrepancy, please call me at 920-474-7447 (Dave - evenings).

Cars not picked:

NOTES: Drivers are shown for reference only - in our contest you select the car number/not the driver. "Most popular picks" shows the five most popular picks for each race as selected by all contestants. Popular picks are shown with the car number followed by number of times selected for each event. Please verify all the information shown above and compare to any records you may have. Errors may have occurred during data entry. In the event of a discrepancy, please call me at 920-474-7447 (Dave - evenings).

Cars not picked: 26,30,33,35,40,59,83,93,98

NOTES: Drivers are shown for reference only - in our contest you select the car number/not the driver. "Most popular picks" shows the five most popular picks for each race as selected by all contestants. Popular picks are shown with the car number followed by number of times selected for each event. Please verify all the information shown above and compare to any records you may have. Errors may have occurred during data entry. In the event of a discrepancy, please call me at 920-474-7447 (Dave - evenings).

Cars not picked: 7,26,30,32,33,35,40,59,93,98

NOTES: Drivers are shown for reference only - in our contest you select the car number/not the driver. "Most popular picks" shows the five most popular picks for each race as selected by all contestants. Popular picks are shown with the car number followed by number of times selected for each event. Please verify all the information shown above and compare to any records you may have. Errors may have occurred during data entry. In the event of a discrepancy, please call me at 920-474-7447 (Dave - evenings).

Cars not picked: 26,30,33,35,40,44,46,59,93

NOTES: Drivers are shown for reference only - in our contest you select the car number/not the driver. "Most popular picks" shows the five most popular picks for each race as selected by all contestants. Popular picks are shown with the car number followed by number of times selected for each event. Please verify all the information shown above and compare to any records you may have. Errors may have occurred during data entry. In the event of a discrepancy, please call me at 920-474-7447 (Dave - evenings).
