Money Breakdown for 2026

Last year we had 71 participants. Only 69 this year. I am making the payout ratios the same as last year. Results in slightly less for each winner but decided to pay out to 11 places + the HeadAche award.

69 Participants at $25 – $1725 total. Last place is actually the lowest total without any zeros (the Headache award). Lion's share of the winnings has always gone to the top 3. The payout structure has been modified to better reflect 69 participants which is DOWN slightly from last year.

NOTE: tiebreakers are determined by the number of 1st place finishes, then 2nd place, then 3rd,… Standings reflect tie breakers. Similar to last year there was no need for tiebreakers this year.
