26 STOCK CAR CHALLENGE RULES AND INFORMATION

This contest starts with the Daytona 500 on February 15, 2026 and includes the 36 points events listed on the entry form. Winners will be announced on or about December 1, 2026 (after official posting of race results for the last race and all information can be verified).

Select a car for each of the points races shown on the schedule. HINT: SELECT FRANCHISE TEAMS!

You must choose a different car number for each race. DO NOT pick a car more than once - If you duplicate a number the second race in which the number is selected will result in zero points for that race. Please use a car number only - not a driver name. In the event a driver does not compete that week or a driver is injured you will still have that car number. You will be awarded points for each race based on the number of points accumulated by your car number (OWNER POINTS WILL BE AWARDED BASED ON 2026 RULES IN EFFECT AT THE TIME OF THE RACE) that week - **if the car # you select does not compete that week or does not qualify for the race you will get zero points for that race.** The entrant who has the most points at the end of the '26 Stock Car Challenge will be declared the winner. In the event of a tie, the number of first places, second places, ... will be used until the tie is broken (CHECKERED FLAG FINISHES WILL BE USED ONLY). If a tie still exists, qualifying positions through the season will be used to break the tie. If a tie remains after all tie breakers the prize money will be split.

Prize breakdown is as follows:

1. Enough money is reserved for mailings over the course of the contest. A summary will be sent after the 3rd race. All future updates will be available on the website ONLY.
2. All remaining moneys are split with payments ranging from about \$800 for first place down to about \$30 for 13th place. NOTE: Last place money (the Goody's Headache award) is paid to the individual who finishes with the lowest point total and also recorded NO zeros Adjustments will be made based on the actual number of contestants in 2025
